BRIEF NARRATIVE:

On April 3, 2009 Haley Shenfil Smart, a Champlain College student from Berkley, California, was arraigned for one count of felony Unlawful Mischief and twenty-six counts of misdemeanor Unlawful Mischief. The charges were the result of an extensive investigation by the Burlington Police Department with the assistance of Champlain College Security. The investigation revealed that Smart was the author responsible for the following tags, “MEGA”, “RELAX” and “TFN.” These tags have been highly prevalent in the Burlington area, to include the Champlain College campus since the fall of 2008. It is estimated that it will cost thousands of dollars to remove these tags from the structures, buildings and objects.
